WAWEL CUP

Together, we will create a real celebration of orienteering!

We have a vision of an event respected in Poland and recommended by athletes from abroad. Event with tradition, looking for modern solutions at the same time. Various areas, good maps, interesting courses and excellent atmosphere. We strive to make the Wawel Cup remain and become a „holiday competition with class“. When organizing the event, we try to care for every detail. We want that every runner during Wawel Cup feels great!

Wawel Cup 2020 is about the return to Jura Krakowsko-Czestochowska; to the place which is unambiguously associated with Orienteering. We will start the competition with the mass start on Błędów Desert and for the next four days we will face interesting and diverse terrains with lot of rocks. Loads of attractions, additional contests, handicap, emotions, medieval castles, rocks and foremost... good fun - this mixture will let every competitor remember Wawel Cup for long!
