WAWEL CUP

Together, we will create a real celebration of orienteering!

We have a vision of an event respected in Poland and recommended by athletes from abroad. Event with tradition, looking for modern solutions at the same time. Various areas, good maps, interesting courses and excellent atmosphere. We strive to make the Wawel Cup remain and become a „holiday competition with class“. When organizing the event, we try to care for every detail. We want that every runner during Wawel Cup feels great!

Wawel Cup 2021 is about the return to Jura Krakowsko-Czestochowska; to the place which is unambiguously associated with Orienteering. We will start the competition with the mass start on Błędów Desert and for the next four days we will face interesting and diverse terrains with lot of rocks. Loads of attractions, additional contests, handicap, emotions, rocks and foremost... good fun - this mixture will let every competitor remember Wawel Cup for long!

MODEL EVENT

JURASSIC RETURN

12-13.07.2021 / ŻELAZKO

Our come back to Jura means come back to Żelazko which is like Polish Orienteering "Mecca". This is the place when we organise training field, available to you as of Monday. Rocky terrains with diverse runnability might be a good warm-up before the Polish Orienteering feast!

1 STAGE

AN IMPRESSIVE BEGINNING

14.07.2021 / BŁĘDÓW DESERT
MIDDLE DISTANCE / MASS START

At the very beginning, Wawel Cup 2021 competition comes back to Błędów Desert. This time in a form of mass start with many control points. Our cherry on the top is the location of competition center - one of the most attractive location in the history. The compass rose located in desert will stay in every participant's memory for long!

2 STAGE

WELL-ROUNDED LONG DISTANCE

15.07.2021 / RODAKI
LONG DISTANCE

After a 9 year long gap, we are coming back to Jura, to one of the most interesting and most diversified terrains. Rodaki is about the large number of rocky formations, half-opened terrains, as well as diversified forms of the terrain. Long distance run during second day will be the icing on the cake of next Wawel Cup!

3 STAGE

FUN IN THE ROCKS

16.07.2021 / ŚWINIUSZKA
MIDDLE DISTANCE

Next stage is yet another day with rocky fun! Following Wikipedia: Świniuszka is a hill, covered by loads of rocks and caves". You will experience a short stage with a map with enlarged scale... and control points nearly almost every feature!

HIT THE PIT

A REAL BLAST

16.07.2021 / OLKUSZ
SPRINT

We have a pleasure to inform you about a possibility to register for Wawel Cup additional event. 'Hit the Pit' includes two races – preliminary and final (final A in handicap start and final B in mass start). Additional race means also attractive prizes for the winners.

There is a limit of 60 applications per category.

The terrain for Hit the Pit is unique for worldwide scale. The area of 0,33 square kilometer is marked by 791 pits and depressions. It is worth noticing that almost every pit is at least 7 meters deep. See you!

Registration via additional entry form.

4 STAGE

FOUR HILLS

17.07.2021 / GROCHOWIEC
MIDDLE DISTANCE

4th day of Wawel Cup will be about yet another middle run. The competition will be held on four hills and what you will find there is... a lot of rocky formations! Some of them will be placed on half-opened terrains, the rest will be hidden in Jura's vegetation. Please expect a challenging rocky middle!

5 STAGE

EMOTIONS GUARANTEED

18.07.2021 / HULASKO
LONG DISTANCE (SHORTENED)

At the very end of the event, the runners will compete in handicap run. Thanks to very good runnability in the forest, runners will be able to develop higher speed. One will have to have their finger on the pulse due to the big number of elements in the terrain and rocks and... the excitement related to final start!
